ABU ROAD, RAJASTHAN

SOURCE OF INSPIRATION

CA Uttam Prakash Agrawal

Welcome to CA. Pariwar Club. This unique concept is inspired by our Fountainhead, **CA. Uttam Prakash Agarwal**, Former President, ICAI (The Institute of Chartered Accountants of India), 2009-10. His name needs no formal introduction and remains a proverbial figure in the realm of Chartered Accountancy, not only in India but across the World. With sheer perseverance, he has continuously committed himself towards the upbringing of Chartered Accountancy education and profession. UPACA World Premier CA. Gurukul was his long cherished dream and his way of giving back to the society. It is his sincere effort to bridge the gap between education system and career vistas by developing industry specific professionals and generating employment opportunities for them across the globe.

Within a span of 3 years, CA. Gurukul has created positive ripples in the sector of Indian CA. education. It is slated to become an International CA. Hub and center of activity in the field of financial education, career and research.

Currently, many aspiring CA's from all over India have joined the Gurukul family to become part of a success story called UPACA. It provides World standard academic grooming coupled with state-of-the-art infrastructural facilities. With the steadily growing respect and acceptability of UPACA amongst Chartered Accountant fraternity and eagerness of many eminent CA's, CA. Uttamji inspired us to initiate and introduce a leisure center for the families of CA's and Citizens alike. Thus was born the idea of UPACA Club & Hospitalities Pvt. Ltd., the parental body of CA. Pariwar Club.

Located on an 18 acre luscious green stretch of land amidst picturesque Abu Road in Rajasthan,

CA. Pariwar Club is all set to carve a niche for itself globally. Deemed as a SOU (Socially Oriented Unit), the Club has pledged its proceeds to fund/ support educational and social causes through awarding of scholarships to meritorious students, especially girls, who lack the financial support and such other noble causes. By becoming a member of this family, you are directly serving a great social cause. You will also get a good chance of meeting like-minded fellow professionals in the Club and making friends-for-life or an opportunity to expand your profession. So come, be a member of this Pariwar and put yourself on the path to encounter a tryst with glory, which this Club is set to achieve.

Let pulsing and rushing time halt,
Let fresh air touch your heart;
Let yourself loose in abundant nature,
Let your soul rejuvenate its stature.
